CSI Aviation continues “Honoring Those Who Serve” with latest Department of Defense (DoD) contract award

DoD U.S. Transportation Command has awarded CSI Aviation a firm-fixed-price, indefinite-delivery/indefinite-quantity contract under the Worldwide Airlift Services Program. CSI is 1 of 17 air carriers to be awarded this contract to transport DoD and other federal agency personnel and cargo for domestic and international shipments. The total estimated program value for this contract is \$5.7 Billion through Nov. 11, 2024.

“CSI Aviation takes great pride in providing safe, comfortable, and efficient transportation of uniformed military personnel and civilians. The WASP-135 contract will allow us to offer passenger, aeromedical, and air cargo flights to DoD as part of our expanding Government Services business” Vince VanNess, Vice President - Government Services.

In 2017, The DoD awarded CSI with the Freedom Award in recognition of the company’s military friendly practices and efforts to recruit veterans. CSI currently has a workforce of 42% veterans from all five branches of the military.

About CSI Aviation

Established in 1979, CSI Aviation, Inc. “CSI” has grown into a global aviation company providing diverse and complex solutions to commercial, group and private individuals, and government customers. CSI fills a unique niche in the aviation industry – supporting aviation requirements for air charter services, aviation logistics, and program management. CSI Aviation also holds FAR Part 135 Air Carrier operating authority and provides air charter and medical flight services. For more information go to:
