CSI Aviation Welcomes Former CEO of Great Lakes Airlines and Announces Promotion of Senior Vice President Tommy Dunn

(Albuquerque, NM) CSI Aviation, a celebrated global aviation company, is proud to announce two changes to its senior staff.

Senior Vice President of Business Development Tommy Dunn, who has been with the company since 2002, is being promoted to Executive Vice President. Dunn will assume additional responsibilities as CSI continues to grow, and CSI is pleased to have him in this crucial position going forward. Mr. Dunn will oversee all growth related to CSI's Medical Flight Services, Air Management Services, and Government services for the company.

Additionally, CSI is excited to welcome the former CEO of Great Lakes Airlines, Doug Voss, to the company as Senior Vice President of Maintenance, Repair, and Overhaul (MRO). In this capacity, he will support President and COO Rock Collins and advise the VP staff on all maintenance matters and recommend outsourced MRO assistance when necessary along with cost-effective service vendors.

About CSI Aviation

Established in 1979, CSI Aviation, Inc. "CSI" has grown into a global aviation company providing diverse and complex solutions to commercial, group and private individuals, and government customers. CSI fills a unique niche in the aviation industry – supporting aviation requirements for air charter services, aviation logistics, and program management. CSI Aviation also holds FAR Part 135 Air Carrier operating authority and provides air charter and medical flight services. For more information go to: www.csiaviation.com
