## **CSI Aviation, Inc. Answers the Call for COVID-19 Response in El Paso, TX.**

(Killeen, TX) CSI Aviation Inc., a global aviation services company with a growing air ambulance component, is part of the Texas Emergency Medical Task Force Program (TX EMTF) to support operations for moving dozens of COVID-19 patients out of El Paso, TX. The EMTF is a state-funded first responder program designed to assist with emergencies such as COVID patient movements.

The TX EMTF rallies members from EMS & fire department, public and private healthcare organizations, regional coalitions, & state and local government personnel and assets to assist in medical disaster response. CSI Aviation, Inc., operating out of their base in Killeen, TX, is part of the Air Medical Strike team and provides medical transportation for critical and large-scale patient movement.

Working with a fleet of Beechcraft King Airs medically configured into mobile ICUs, CSI Aviation, Inc. utilizes its 24/7 response capabilities and a highly trained in-flight medical crew to transport patients out of overcrowded hospitals. After every flight, the plane's interior undergoes a rigorous and proven decontamination process to protect pilots, medical, and maintenance staff.
