CSI Aviation, Inc. Celebrates the Groundbreaking of New Hangar at Killeen-Fort Hood Regional Airport.

(Killeen, TX) CSI Aviation Inc., a global aviation services company, continues its growth in Texas with an official groundbreaking ceremony for a new hangar that will support its medical flight operations. The event was organized by the City of Killeen and the Killeen-Fort Hood Regional Airport (GRK) with key stakeholders.

Speeches were made by Killeen Mayor Jose Segarra, City Manager Kent Cagle, Congressman Roger Williams, and Greater Killen Chamber President John Crutchfield as to the importance to Central Texas. State Rep Brad Buckley, and a representative of Congressman John Carter were also in attendance along with Airport Director Mike Wilson.

[Ceremonial Groundbreaking]

CSI Aviation's President William "Rock" Collins, also a retired Marine General, spoke on behalf of the company and its increasing presence in the air ambulance industry in Texas. The company

is currently supporting the Texas Emergency Medical Task Force helping move COVID-19 patients out of El Paso, TX. CSI's new hangar will have 16,000 square feet of space and will be a centralized maintenance facility and air ambulance base. Construction begins December 15th and is expected to be completed in 4th Quarter of 2021.

About CSI Aviation Inc.

Established in 1979, CSI Aviation, Inc. "CSI" has grown into a global aviation company providing diverse and complex solutions to commercial, group and private individuals, and government customers. CSI fills a unique niche in the aviation industry – supporting aviation requirements for air charter services, medical flight services, and aviation program management. CSI Aviation also holds FAR Part 135 Air Carrier operating authority and provides air charter and air ambulance services. For more information go to: www.csiaviation.com
